'Futures' AT SSC?

Green Group

Levels of Cognition and communication from E1 to Level 1 - Group sizes of 10. Positive outcomes will include internal progression to supported to learn or Routes to College with opportunities to undertake meaningful work experience.

Blue group

- Levels of cognition and communication from P7 to E1 - Group sizes of 8. Positive outcomes will include supported learning with greater degrees of independence.

Purple group

- Students have primarily a need for a sensory diet, displaying characteristics that require either reduced sensory input or heightened sensory input. Group size 6

Yellow group

- Levels of cognition and communication around P4 to P7- Group sizes of 6. Positive outcomes will include supported living with improved communication.

3-year programme

1 year placement

Paid Employment?

Frequently asked questions

Transport:

- We provide a bus service (unescorted) to our Rodbaston campus ([Transport – South Staffordshire College \(southstaffs.ac.uk\)](https://www.southstaffs.ac.uk/transport))
- If you're young person requires transport to any of our other sites, or an escorted transport service, please contact your local authority SEND team. Deadline usually 31st May

Support:

- Support for your young person will be based on what is detailed within the EHCP
- Medication needed during college day: we have systems in place to store medication, and staff trained to administer (if needed)
- Reviews of EHCP's are annual from the date they were completed at previous setting (or held as an emergency, parents/externals given 2 weeks notice prior to meeting)

Applying/getting a place:

- Applications can be completed on our website ([SEND: Futures & Cross College Supported Learning \(CCSL\) – South Staffordshire College \(southstaffs.ac.uk\)](https://www.southstaffs.ac.uk/SEND-Futures-Cross-College-Supported-Learning-CCSL))
- College provision is a 3-day offer. If you want additional days, discuss with your local authority during the EHCP annual review
- For those young people with an EHCP, you will need to notify the school and local authority that South Staffordshire College is your desired progression destination to start consultation process
- Do they need a social worker to get a place: no, but it helps for coordinating external support, such as social care provision for additional days in the week when not attending college
