Brilliant Baristas!

Sixth Form have started a mini- enterprise on Friday mornings. Students take orders, prepare and deliver a variety of coffees, hot chocolate and paninis currently to Key Stage 4 students and staff who are trialling it whilst they practice. Students have been trained to use the barista coffee machine and panini grill so they can experience practical work-based skills as preparation for adulthood and careers. Orders can be made and paid for in cash by Key Stage 4 students and staff during Friday registration time in the Sixth Form room. Hot drinks on offer are Mocha, Latte, Cappuccino and Hot Chocolate at £1.50 and Panini choices are Cheese, Cheese & Onion, Cheese & Ham and Cheese & Mediterranean Vegetables at £2. Vegan options are also available.

Restart a Heart

During the British Heart Foundation 'Restart a Heart' Day and as part of their Duke of Edinburgh Bronze Level Award, Key Stage 4 students have been learning CPR (Cardiopulmonary Resuscitation). Restart a Heart Day aims to raise awareness about cardiac arrest and helps people learn CPR, giving them life saving skills and the confidence to use them.

There are four main sections of a DofE programme; Volunteering, Physical, Skills and Expedition. Learning CPR has contributed towards the skills section for students.

Homes for Hedgehogs

Nurture have been learning about Habitats outside the classroom . Students have worked in the sensory garden to create homes for Hedgehogs to keep safe and warm in during the colder seasons.
